

Chipping Sodbury Market Pitchings - use for placement of tables and chairs for recreation and refreshment

To support the re-opening of local businesses following the COVID-19 lockdown the Town Council has considered the use of the Market Pitchings by local food and refreshment businesses.

The Town Council will permit the use of the Market Pitchings directly outside of their property by pubs, cafes and restaurants until 30th September 2021 when the matter will be reviewed. Operation hours will be from 08.00 to 22.00 and we ask that consideration is given to the residents living in the area.

We will be working with South Gloucestershire Council to ensure that appropriate insurance and guidelines are in place therefore please submit applications using the "Tables and Chairs Application" (free of charge) which can be found here:

<https://www.southglos.gov.uk/transport-and-streets/streets/roads-maintenance/licences-for-work-on-the-highway/highway-licences/>

All businesses making use of this facility will be responsible for ensuring that appropriate signage is in place and that areas are fenced off to prevent parking. The Market Pitchings are used at businesses own risk and individual businesses must ensure they have appropriate trading licenses and insurance in place. The Town Council will not be responsible for the use of the Market Pitchings for trading purposes in any way.

Town Clerk
